One day, Faust came across a demon. The demon said to him:

Once upon a time, there was a man by the name of Faust.

Although exceptionally intelligent, Faust was an extremely greedy man.

... after that, Faust was able to do anything he ever wished to.

Delighted such a tempting offer, Faust immediately signed the demon's contract without a second thought.

and I shall serve you until the day you die."

"Sell your soul to me.

The demon snapped Faust's neck, swiftly killing him.

the day of his death had come to pass.

By the time Faust had finally fulfilled all his desires,

...What happened to Faust next?"

Next?

Chapter 1

The Man
from the
Fairy Tales

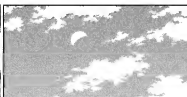

It hasn't changed
one bit.

This seemed
like the
right place,
but they
could just
be trying to
trick me.

*TL NOTE: BAUMKUCHEN IS TYPE OF GERMAN PASTRY

Why did they decline independence?

The Byzantine Empire embargoed all trade. Then, in order to obtain information...

Um... Alton* declared independence from the Byzantine Empire?

Um...

What happened? Continental Calendar, year 372.

Huh?

EDITOR'S NOTE: ALTON WAS THE HISTORICAL NAME OF GREAT BRITAIN

The evil technology of the two countries went unrevealed. Perhaps that Alton would long for one day to become independent, the Byzantine Empire decided to tighten their grip. It was because of this, however, that Alton managed to slip away in the end.

At least, that was the gist of the fabrication.

Alton had seemingly come to an agreement with the Northern Federation.

That's not all that was going on.

...And then? What happened next?

The Byzantine Empire was already starting to weaken at that time.

...Books
may be
written
by people
of the
past,

What?!

I have done
this best ever
the last few
days. I'll only
be for a short
time, but why
don't I take on
the role of your
"teacher"?

Wait
there!

So would be
impossible
to learn by
such a small
dose of work,
wouldn't you
agree?

It's also
important to
keep in mind
that there are
things people
out there who
are more knowl-
edge-
able

...Fate.

...

Or is there
something
else you
would like
to learn?

Well,
subjects
are not good
at? Foreign
Languages,
History,
Mathematics,
Science...

Always
consider
things from
multiple
perspec-
tives.

For
long-term
goals, it's
important to
keep in mind
the other hand
though, being too
close-minded is
never a good
thing either.

There's something I'm looking for.

Oh! It sure is nice to speak with someone who knows how to think.

What would you prefer?

I don't know why, but for some reason he's always trying to shake me out of my particular prison.

...Big extremely naughty and stupid little dog.

Sometimes you're looking for?

If you could open the gates for me on the night of the full moon, that would be perfect.

IT SEEMS
LIKE I'LL BE
POSSIBLY
YOU A LITTLE
LONGER!

And
if only I
could find a
place to stay,
this would
be perfect.

YOU'RE
PLAYING
HIDE?!
HAT OF,
JONAHNA!

Gate...?

SHE
SURE IS A
STRANGE
PERSON...

TO NOTE: THIS SEEMS TO HAVE BEEN A CONVERSATION IN A DIFFERENT LANGUAGE

Is
something
wrong,
Jonathan?

What?

Have you
not read it
before?
The story of
"Doctor Faust"
is a really
fascinating
tale.

Once upon
a time, there
was a man by
the name of
Faust. Although
exceptionally
intelligent,
Faust was an
extremely
greedy man.

Having
come to form a
contract with
the demon
Mephisto, Faust
carried out
all sorts of
terrible deeds.

"The Life
and Death
of Doctor
Faust" ... 7

Heh.

...I knew
about these,
but I didn't
think it had
been turned
into a book.

These deeds
have been
recorded in
a light-hearted
fashion here
in this book.

But we don't have enough money to pay the fees anymore...

I was really happy back then,

Until recently, I went to school just like them.

I...

...Did you use to go to school as well?

Ahh?

On the church here also doubts as a school. As long as you have the money you are free to attend as you wish.

That's being chosen to see something.

I never would have thought a place I was once able to go to without a single care in the world could suddenly seem so far away.

Behave

What's
all this about
blackmailing?
There was
nothing of the
sort going on
in the first
place.

Didn't I tell you I
was only going
to be here for
a few days?
It's nice to
no longer be
blackmailed.
Cheer up.

AS EXPECTED,

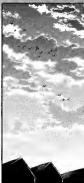

SHE'S
A REALLY
STRANGE
PERSON...

What have
I bought?
There's some-
thing I've
forgotten
to buy

45

THE MOON
ISN'T OUT
TONIGHT.

...IT'S
REALLY
DARK.

Um...
It's just
in case
anything
goes
wrong.

Why
are you
bringing
so many
things
with
you?

The
Church?

Are you
sure your
dog will
have come
to a place
like this?

It's
because
he's
stupid.

...Do you
really
have
to go,
Johnny?

It was part
of the deal
we made,
wasn't it?

"Enter".

All you need to
do is
"Enter"

Run?

I need
you to
invite
me in.

Ah!

Because
of it I'm
unable to
enter places
like this
without an
invitation.

...I suffer
from a bit
of a curse.

It's the
reason I
asked you to
come along.

Why
did you
need me
to do
that?

It's not
something
that can
spread.

...
Curse...?!

It was
developed
as a
defensive
fortress.

Regardless
of where
they're from,
church buildings
built during the
Three Kingdom
War all use a
structure like
this.

I didn't
know
there was
a place
like this
under the
Church...

Did you
already
know
that?

Right?

As
attempts were
unsuccessfully
made to clear

I came
here
about ten
years
ago.

Ahh,

A piece--

...That's mine.

My dog's.

That's...

...Tch.
No wonder
it was
easier
than
usual.

Isn't
this a little
cruel, my
dear devil-
hating
inquisitor?

Don't
bother
trying to
explain
yourself...

THIS HAS
TO BE A
MISUNDER-
STANDING!
SHE'S...

THERE'S
NO WAY
JONAHANA
CAN BE
DOCTOR
FAUST...

HOW
CAN THIS
GUY OF
DRUGS—

THAT
BLOODY-
THIRSTY
GOKULAE
EVERYONE
KNOWS
ABOUT
FROM FAUST
TALKS,

It's dangerous
here, get out
of the way.
This woman
has tracked
you.

...You look
like a good
and honest
young man.

Move out
of the way,
Marion.

It's just
the way
the world
works.

The way
Faust talked
about is only
over the
game.

Then
are you
really—?

A hundred
years ago,
your demon
had his body
cut into five
pieces and was
sealed away.

Why
have you
waited until
now to
revive
him?

You're
supposed to
be dead, and
yet you clearly
didn't before we
killed and sealed
him—
What are you
planning?

That's
why this is
all very,
very,
veery

simple.

That
guy is
very
simple-
minded.

Is there
something
wrong with
your head?
You're late
...Mephisto.

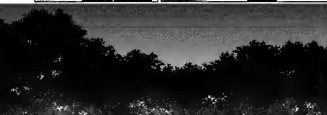

You've
already
managed
to put me
together
to back an
enemy...?

—MOPED—
TOPHED—

PALETT'S
DEMON

Even though
I'm feeling
lost and
confused,
I've already
decided.

I want
to follow
you!

...AGAIN?

With the
knowledge
I taught you
won't go any-
where, all I'm
doing with your
assaulted id...

I don't
want
that.

No one
has ever
done anything
like this for
me before.
—So

I would
like to stay
by your
side and
continue
studying.

IT DOESN'T
MATTER IF
YOU
FORGET
OR IF YOU
FORGET
FORGET.
YOU ARE
STILL MY
TEACHER!

NOW
POP IT
COME TO
THIS?

FOR ALL
YOU KNOW,
I MIGHT
BE A FAN-
GIRL
FAN-
GIRL ON THE
WAY.
